

CLIMATE INNOVATION LAB IN READING

October 12, 2017

For immediate RELEASE: Business / Community Event

ECO4CLIM17, the official COP23 endorsed initiative, is here!! In Reading!!!

Are an entrepreneur or an SME with green business solutions?

Do you have ideas/solutions to reduce carbon emissions?

If your idea or project wins, you could be on your way to Bonn, Germany for
United Nations Climate Summit (COP23)

APPLY NOW!

Just one week left! for Climate Innovation Lab on **Thursday 19th October at the Oakwood Centre from 1:00 pm - 5:00 pm** for a multi-stakeholder engagement in expert panel and the **Climate Champion Award**.

Register to participate: (<http://community.ecopreneurs4climate.org/lab/reading-lab>)
